# BEST PRACTICE HOUSEHOLD BINS: A guide for residents

\*Note: Some Councils might not have all bin types, or different bin types.

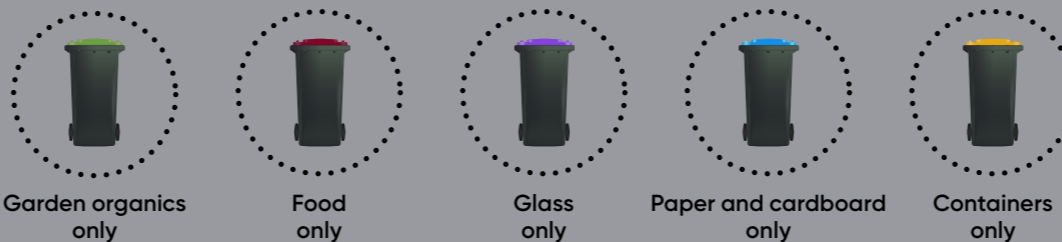

Check your Council's collection calendar for the correct bin days

If you have an organics bin – check with your Council if they collect food and garden organics (FOGO)

Other separated recovery bins, if provided by your Council

# WHAT NOT TO DO

- Bins back-to-front
- Bins too close
- Recoverables in waste bin
- Not clean: waste in recovery bins
- Bin lid open
- Bins behind vehicles
- Bins too full causing litter
- Bins next to trees or other objects
